

# Lighting - LED Courtesy Light

41570P - 41571P

Our H-5 courtesy lights features a 316 stainless steel snap on trim ring. Designed with a **1pc COB LED** for a more unified output (No Dotting). Available with **White** or **Blue LEDs**, these lights provide just enough output to guide you in the dark. Our White LEDs produce 66 Lumen and the Blue LEDs produce 16 Lumen. **Surface mounted fixture** features side illumination. Great for illuminating companion ways. Available in 12V only.
